The 1951 Key

Foreword

Contain ye, oh the walls of fame
Forever mine to hold thy name.
Rest ye the wind and still the heart,
And ye shall do thy mortal part;
Thy city-like was much to me;
Think I it well worth having thee.
I'll not forget, though all rebuke,
The path that leads from my Dubuque.

Educational Policies Committee

This committee is concerned with the academic affairs of the college. In matters pertaining to educational policy, curriculum, etc., the committee prepares recommendations for presentation to the faculty, and in matters of general academic policy, it serves as an advisory cabinet to the Dean of the College.

The personnel of the committee includes chairmen of the four divisions of the college, head of the department of education, Registrar and Dean. They are Miss Dorothy Taylor, chairman of the committee, (acting for Dr. W. B. Zuker of the Natural Science Division); Miss Anna Aitchison; Prof. William Rozeboom; Dr. W. R. Smith; Dr. Curtis T. Leaf; Dr. F. W. Kracher; and Dr. Milo Rediger.

Left to right: Dr. Smith, Miss Aitchison, Miss Taylor, Dr. Redigger, Prof. Rozeboom, Dr. Leaf.

Board of Publications

The Board of Publications is the committee which controls all university publications—the Cue, the Key, the yearly catalogue, Alumni bulletins, and the DCA, to mention only a few.

This group is composed of several administration and faculty members as well as the editors and business managers of both student publications.

In addition to determining the policies of university publications, the Board establishes rules of procedure for election of editorial and business staff. For instance, this year the committee ruled that the yearbook should become an all-school project rather than one of the duties of the junior class.

Back row (standing), left to right: R. Berger, H. Gearhart, F. Gorman.

Front row (seated): L. Selmar, Mr. Spear, Dr. E. Smith, Dr. Veneklasen, Mr. Warner.

Christian Life Council

The Christian Life Council is the body designed to correlate and oversee religious activities on campus. The council is composed of student leaders and faculty members.

Dr. Arthur Cochrane is the faculty chairman of the group while David Drake is the student chairman. Marianne Thaden is secretary. The rest of the council is made up of representatives from Student Council, Pan-Hellenic, Inter-Fraternity, Student Christian Association, and the Seminary.

The chief project of the Council is arrangements for the annual Faith and Life Conference held each fall.

The small group pictured above the Council is the Chapel Committee, this committee plans all Chapel services

House Councils

When problems arise in the Dubuque family, either in Severance Hall or in Steffens Hall, there is one way to settle them; bring them to the House Councils, whose main purposes are to make the dormitories more pleasant places to live.

Standing, left to right: Mr. Martens, O. Luedke, E. Jones, C. Steever, G. Coppage, J. Sundstedt.
Seated: D. Jafvert, M. Winters.

Student Council

A sharp whistle and the freshman mixer was in full swing! This was the first major project of the Student Council.

Who lines up the Homecoming parade? Who secures prizes and assembly speaker? No one but the Student Council!

"Would you care to donate to the Red Feather drive?" This question re-echoed on campus as the third project went into action.

The Council saw to completion this year the revision of the cut system. A student is now entitled to take cuts equal to the number of credit hours in each course in addition to all excused absences.

This governing body is elected by the students and its purpose is to further plans of the student body and administration.

Standing, left to right: J. Siege, L. Sonksen, D. Drake, B. Cannon, H. Gearhart, G. Coppage, H. Stein.
Seated, left to right: Mr. Wallace, R. Close, J. Gallart, M. Thaden, J. Chambers, M. Julius.

Student Affairs Committee

The Student Affairs Committee acts as the governing body in the planning of a well-balanced school calendar. Its membership is composed of five faculty members and five students.

All University activities following the dinner hour fall under the jurisdiction of this Committee, and it is its purpose to prevent serious conflicts which might arise in the scheduling of activities.

In order to secure a place on the calendar of social events, it is necessary for each organization to submit a request which must be approved by the Committee at its semi-monthly meetings.

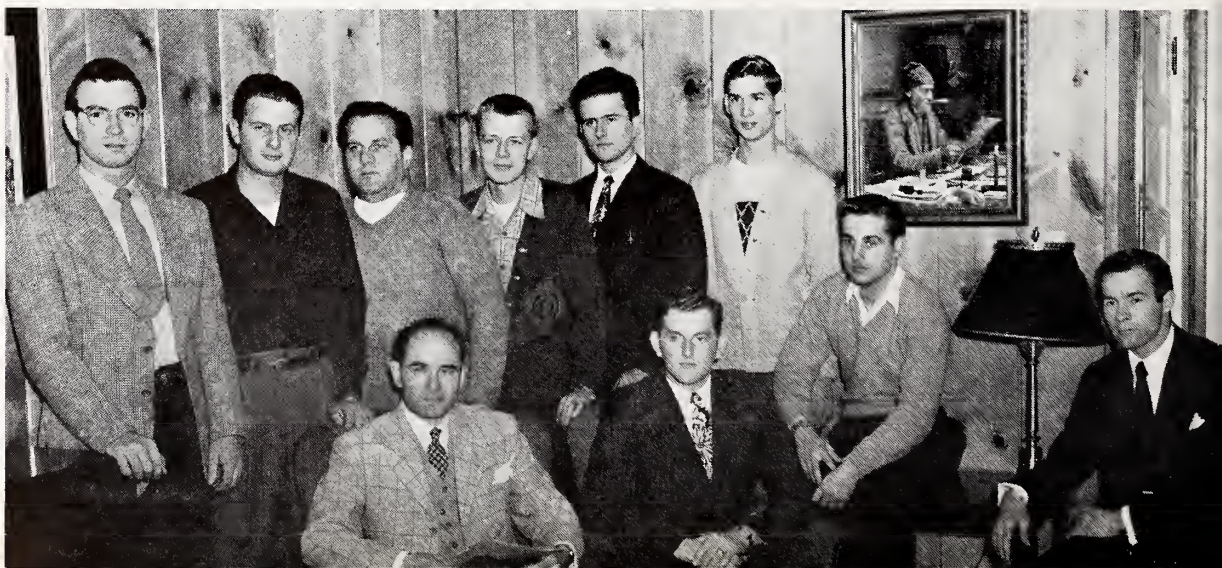

Standing, back row, left to right: R. Gloyd, E. Dorst, A. Sorensen, C. Ploen, G. Wolfe.
Seated: B. Sweany, Miss Rothlisberger, M. J. Keith, J. A. Lindaman, M. Mecum.

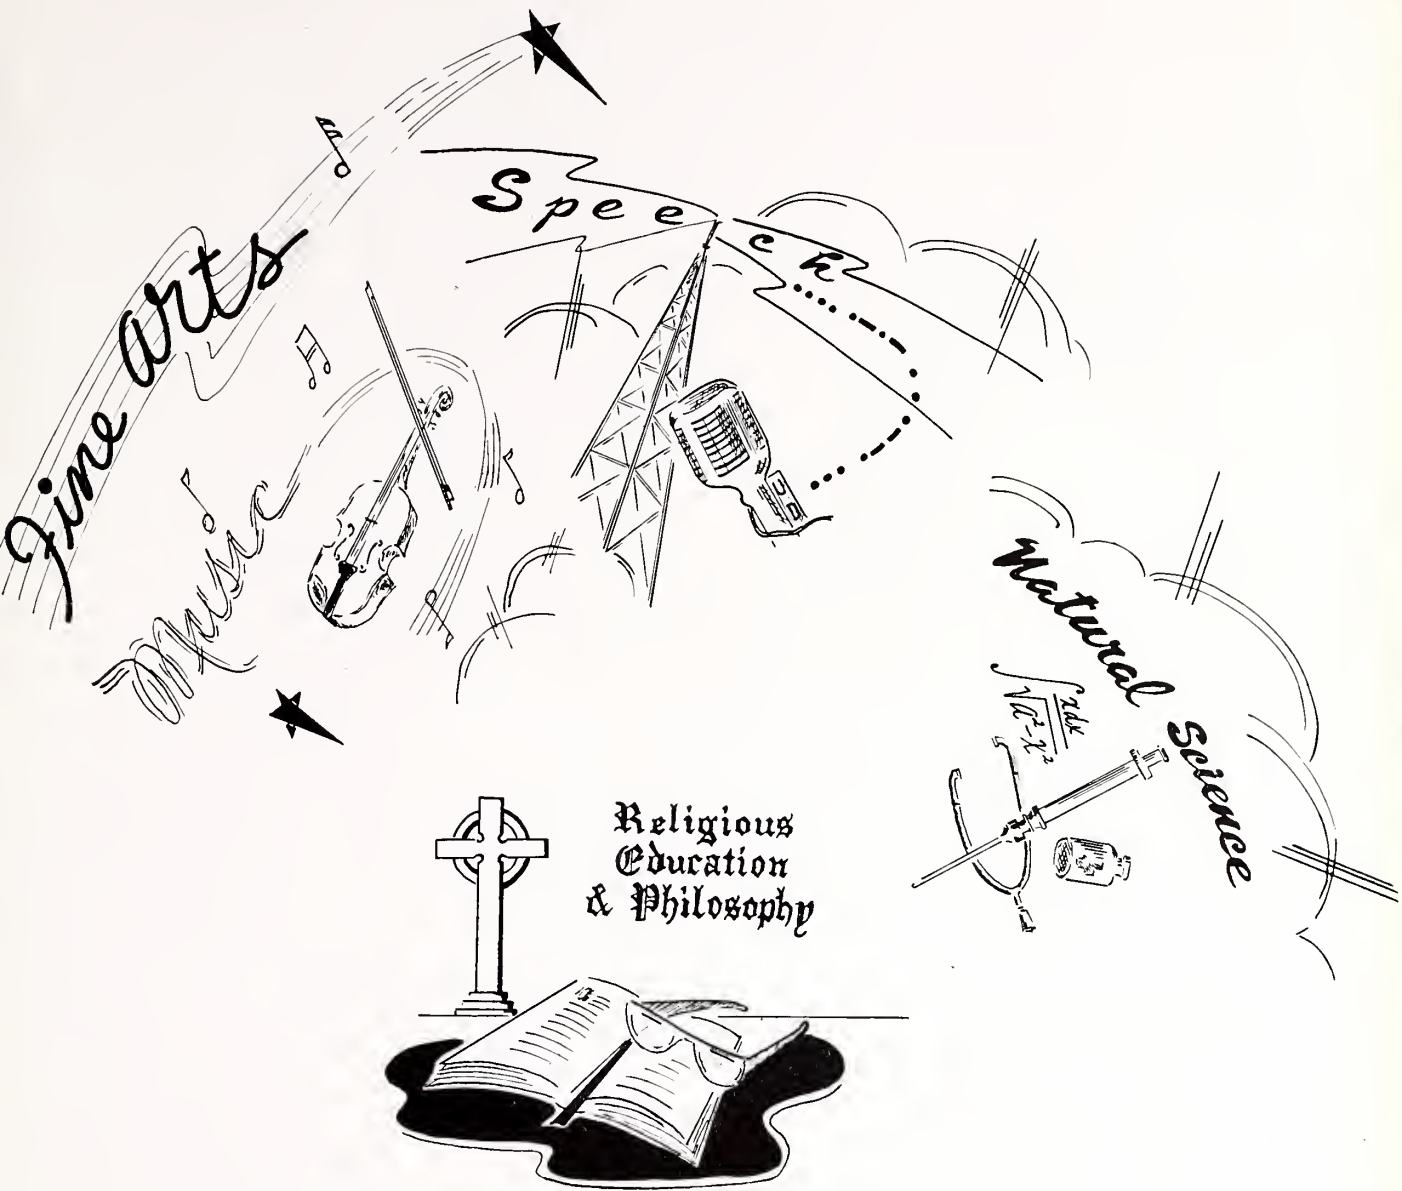

Pan-Hellenic

The Pan-hellenic and Interfraternity councils work together to co-ordinate affairs concerning their social groups. Rushing rules, interfraternity athletic contests, and the annual fraternity-sorority dance are all part of the council's work.

Inter-Fraternity

Standing, left to right: D. Williams, M. Winters, T. Schavone, T. James, C. Willming, D. Drake.

Remember the float in the homecoming parade on which was placed a banquet table loaded with good things to eat? That was an example of the year's many activities—among other things, eating. There's the taffy-pull, the yule breakfast, bake sales, sweetheart dinner, and those delicious angel food cakes baked by Miss Hagen for the monthly birthday dinners.

This picture was taken at the Sweetheart dinner, an annual affair of Omicron Mu. This is one of the many activities sponsored by this home economics pre-professional club.

A composite of four black and white portrait photographs. The top-left portrait shows a man with glasses, a receding hairline, wearing a suit and a patterned tie. The top-right portrait shows a man with glasses, smiling, wearing a suit and a dark tie. The bottom-left portrait shows a man with a receding hairline, wearing a suit and a dark tie. The bottom-right portrait shows a woman with short, dark, curly hair and glasses, wearing a dark, possibly velvet, dress.

A Cappella Choir

It's "Awake the dormant voice and sing"—when each year the A Cappella Choir furnishes Dubuque with its singing. The choirsters, apparelled in their new blue robes, spent many happy hours together, rehearsing, touring and having a joyous year in song and friendship. "Till air is rent and heavens ring; and echo peals from mount to seas, hail Alma Mater, Hail to Thee!"

Chapel Choir

Chapel Choir provides sacred music for several of the year's chapel programs. Although they are a small group they enjoy singing together to bring musical pauses in the busy school day. Chapel Choir is under the direction of Professor Franklin Le Bar. This year there was a small group; nevertheless, several programs were presented.

Messiah

After the last triumphant strains of the "Hallelujah Chorus" had died away the capacity crowd that filled St. Luke's Methodist Church on the night of December 10 turned and left in reverent silence.

The "Messiah," which was first performed here in 1906 with Dr. Hugh D. Atchison conducting, had once again been given, and George Frederick Handel's music had stirred hearts and minds again for Christmas, 1950.

Dr. Doy Baker, head of the University music department, conducted the 150-voice chorus and the 40-piece orchestra. Soloists were Mrs. Vera Scammon, soprano; Miss Dorothy Krebill, alto; Mr. Robert Eckert, tenor, and Mr. Franklin Le Bar, bass. The chorus and orchestra are made up of members of the oratorio society.

"Speak the Speech, I pray you—"
—Shakespeare

This persuasive looking group of thinkers and orators has spoken many speeches this year not only in debate, but in radio, after dinner, and extemporaneous speeches. There was even some folk-tale telling and poetry reading.

Meeting teams from many different colleges and universities, Dubuque's teams participated in tournaments at Grinnell, Bradley, Eau Claire, and Iowa State College, Ames, Iowa.

Under the direction of President Andy Anfenson, the advertising for the 1950 foot-

ball and basketball programs was sold by members of the "D" Club.

The big task of the "D" Club each year is the Homecoming Dance. Ray Schumacher and his committee did a splendid job of decorating. Music was provided by Sandy Sandburg and his orchestra.

 Sitting, left to right: R. Hutchison, B. Bove, T. Schavone, B. Cannon, J. Thompson, B. Williams.

The Homecoming Queen, Dee Schumacher, was crowned by Captain Bob Bove at the bonfire pep rally on the eve of the Central game. Her court included Alice Houston, Ruth Gloyd, Anna Sorenson, and Jeanne O'Brien.

The athletic banquet held every spring brings an end to the activities of the "D" Club for the school year. At this banquet, athletes are given awards for their services to college.

The awards for the 1949-1950 season were: Outstanding Senior Athlete Trophy, Leroy Watts; Outstanding Freshmen Athlete

Trophy, Phil Tindrell; "D" Club Scholarship Trophy, Bill Floyd. Captain blankets were given to Bill Burnett and Keith Malone. Leroy Watts received the basketball and Paul Scharlepp, track.

The "D" Club wishes to express its thanks to everyone who helped in any way to make the 1950-51 athletic program at the University a success.

Spartan club composed of ninety members with ninety lusty voices is always on hand to provide moral support for athletic events at home or abroad. Led by six cheer leaders this club is a vital part of school spirit.

Besides cheering, the Spartan Club members directed many events during Homecoming weekend such as decorating the football field, leading the snake dance, and taking charge of the bonfire program.

The Parsonettes? You haven't heard of them? Why, they're the loyal supporters of the seminary students—their wives. Meetings once a month feature fine fellowship, exchange of ideas, helpful instruction, wonderful inspiration, and good things to eat. With the serving of a luncheon the day is off to a good start. Following the luncheon, a devotional service is led by one of the Parsonettes. A period of instruction with discussion follows. Outside speakers are often obtained to present material and advise ministers' wives how they can better help and understand their husbands and the community in which they serve.

Facultettes

The Facultette is a well established organization on the university campus. Faculty wives and women members of the faculty are included in the membership. They meet monthly for social purposes. This year's activities included entertaining the freshman girls at Eagle Point Park for dinner and the Blue and White Club following the spring orchestra concert. In addition, the group held a smorgasbord at the La Porte home and assisted with the Faculty Children's Christmas Party. Facultette purchased a coffee maker for the Konzett Lounge Kitchenette.

SPORTS

COACHES

FOOTBALL

Because of the loss of twelve lettermen and several key reserves from the 1949 team, Coach Moco Mercer experienced his first season under .500 since taking the Spartan helm. In spite of a 3-5 record, the Spartans still played plenty of good football.

Among the brighter spots was the 14-0 homecoming victory over Central, which lengthened the consecutive string of wins over homecoming foes to twelve.

Another highlight of the year was the near victory the Spartan gridsters posted against the unbeaten St. Ambrose Bees. In this game, U.D. matched the highly-touted Davenport team in all departments, losing by only one touchdown.

Culver-Stockton college of Canton, Missouri, found the Key City gridsters at their best form of the season. Taking complete charge of the ball game from the kick-off, the masterful Spartans rampaged to a 35-0 win.

It might be noted that, excepting the Western Illinois loss, the Spartans were never beaten by more than eight points. This, coupled with a good record in first downs and total yardage, throws a different light on the 1950 University of Dubuque football squad.

Among individual highlights was the selection of halfback Bob Purcell as an honorable mention candidate of the 1950 Little All-American football team.

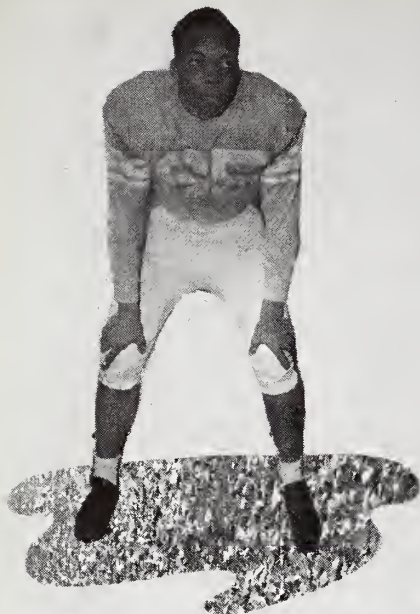

Captain Bob Bove and Purcell were both selected on the first teams All-Southern division, Iowa Conference squad.

Capt. Bove and freshman fullback Rip Gulliford were selected on the Culver-Stockton college's all-opponents team.

Coach Mercer awarded 25 letters this past season.

Bob Purcell led the scoring parade with 73 points, followed by Cantrill "Rip" Gulliford with 18 points, Felix North 12, and Ron Finchman, Don McDonald, Bob Wickland and Dick Valentine each with 6 markers. Buck Herzog kicked four extra points. Jack Strouse blocked a punt which resulted in a safety accounting for the remaining two points.

With the return of six lettermen from the 1949-50 squad, the prospects for the 1950-51 season were very promising. But the loss of Captain Leroy Watts was felt more than anticipated, and as a result the Spartans were an up and down ball club.

Starting of the season on a trip north the Spartans tasted defeat in their first encounter at the hands of Winona State Teachers 64-54, but they bounced back at the next game to beat LaCrosse State Teachers in the last second 60-59.

Before opening their conference play the Spartans downed Wisconsin Tech 41-24 and bowed to Western Illinois 72-67. Parsons visited Dubuque for the conference opener and were nipped 65-64.

The Spartans traveled west during the Christmas holidays and defeated South Dakota University 63-61, Yankton College 57-53, and then lost to Morningside College 69-61.

After the vacation the local quintet walked over Buena Vista 65-41 but faltered in the second half at Wartburg and lost 75-69 in an overtime.

Avenging two defeats last year the Spartans rolled over St. Ambrose 85-56 and then took their third conference win at the expense of Iowa Wesleyan 79-52.

Then the bottom fell out of the Spartans' title hopes as they lost consecutive conference games on the road to Central 58-56 and Simpson 68-56.

The next week the locals defeated Wartburg in their second game 69-66 before being mauled by Parsons 90-68. Wisconsin Tech was again swept aside 70-47, but Knox College trimmed the Spartans 68-59. They went on from here to win their next two conference games from Iowa Wesleyan 76-51 and Central 78-53.

St. Ambrose evened the score with the Spartans for the year by handing them a 74-60 licking which was followed by their second defeat by Winona State Teachers 62-54.

Playing their last game of the year the Spartans showed championship form by smothering the Simpson Redmen at McCormick Gym 71-48.

Closing their collegiate careers were the following Spartans: Captain Rhys Hutchison, Paul Leuhr, Bryan Cannon, and Ron Stewart.

Others who received letters were Bill Braucht, Jack Holcomb, Bob Purcell, Dudley Millen, and Jack Strause.

Back row, left to right: G. Coppage, D. Darsee, E. Jones, J. Kremer, D. Valentine, D. Beltz, M. Meyer, J. Bachtell.

Golf: Left to right: J. Edgar, D. Suain, K. Smith, N. Palanca, G. Coppage.

Under the coaching of C. T. Peterson, the Dubuque tennis team came through with three wins, two losses, one tie and fourth place in the 1950 conference meet. The Spartans won two matches from Wartburg College, a loss and a victory with Coe College, and a draw and a loss to Cornell College.

Those who received letters were: Stan Efferding, "Obie" Alozie, Nadeen Muna, Jim Kremer, and Bob Cowles.

After a two year lay-off, golf was resumed at the University of Dubuque in 1950. Men earning a major "D" were George Coppage, John Schiltz, Don Swain, and Jerry Edgar. Other members of the golf squad were Bill Olson, Russ Lundstrom, and Norm Palanca. Coached by Ken Smith.

Front row, left to right: J. Thompson, I. Zamarripa, K. Keim, D. Jones, R. Schetgen, J. Childs, R. Masten, A. Spadanuta.

Wrestling

After an eight year lay-off, wrestling was revived this year at the University on a full-time basis. Although the team experienced a mediocre year, winning only one dual meet of five, the season was culminated with a well-earned third place at the Iowa Conference meet.

Ironically, all but three men on the squad had never been on a wrestling mat before. These three men, Kieth Keim, Dick Masten, and Jay Childs had experience in high school. However, by the end of the year the new men showed definite promise of becoming formidable grapplers. Notable among the new members was John Thompson who led the Spartan scoring along with Childs. Both of these men plus Isaiah Zamarripa and Keith Keim finished second in the finals of the Conference Meet. Third place positions went to Russ Schetgen, John Sass and Phil Tindrell.

Active members of the squad throughout the year were as follows:

123 lbs. Russ Schetgen.

130 lbs. Kieth Keim, Dick Jones, Fausto Colon.

137 lbs. Dick Masten, John Sass.

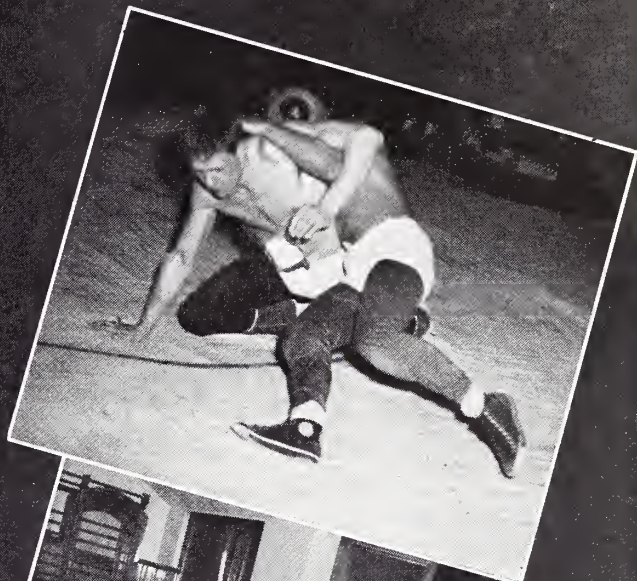

147 lbs. Jay Childs, Mal Kennedy, Enrique Fals-Borda.

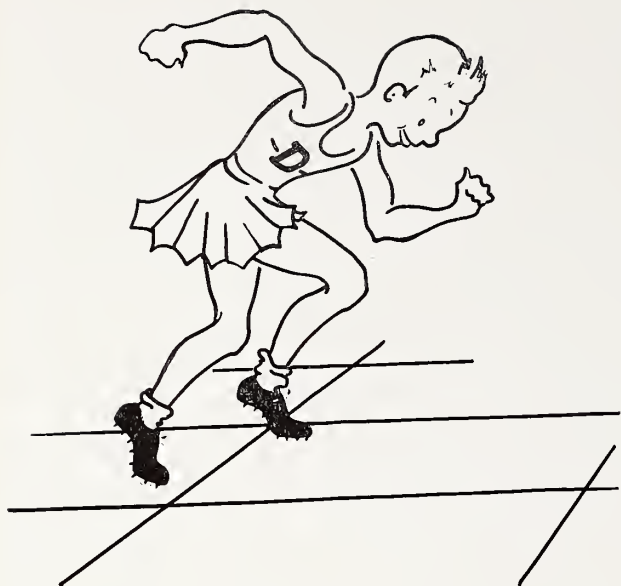

157 lbs. Isiah Zamarripa, Gary Burlingham.

167 lbs. Phil Tindrell, Bob Zimmerman, Ed Donaldson.

177 lbs. John Thompson.

Hvywt. Creighton Barner, Andy Spadanuta.

TRACK

The 1950 edition of the University of Dubuque track and field team enjoyed one of its more prosperous seasons in recent years. Participating in eight scheduled intercollegiate contests, the Spartans finished "out of the money" on only one occasion, a 66-65 dual meet loss to Wartburg College.

The 1950 season also marked itself as one of individual achievement and success. Junior Bob Williams finished his year as the Spartans' leading scorer with a grand total of 94 $\frac{3}{4}$ points, somewhat of a record for U.D. trackmen of recent years.

Bret Johannsen bowed out of Spartan athletics with a tremendous effort for the U.D. thinclads. Among his several first place laurels won last year, Bret became the second record-breaker on the 1950 team.

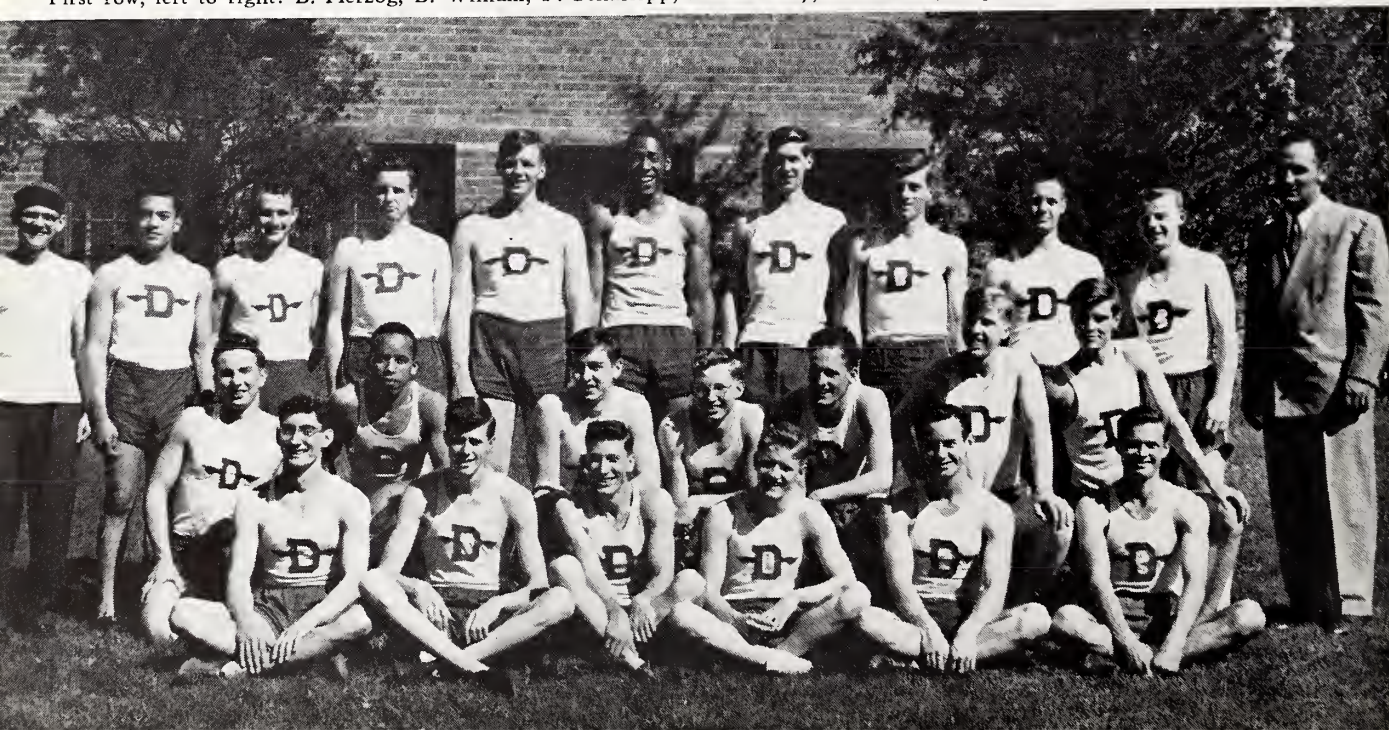

The third record shattering performance was turned in by Sophomore Mal Kennedy. After a slow start, Mal showed his prowess by surprising the field in the Conference Meet at Loras.

In conference competition, the Spartans ran away with the Southern half, winning the District meet with a sum total of 83 $\frac{1}{2}$ points. Simpson, their nearest rival, counted only 42 points. In the Conference Meet held at Loras College, Dubuque placed second to the host school with 54 $\frac{1}{4}$ points, only 7 points behind the leader.

Back row, left to right: B. Johnson, C. Harer, W. Leidigh, B. Brose, D. Price, L. Watts, D. Drake, G. Hyler, T. La Porte, D. Adams, Mr. Fortunato.

Second row, left to right: E. Hinman, P. Tindrell, T. Schaumburg, B. Lay, A. Seibert, E. Bauman, B. Johannsen.

First row, left to right: B. Herzog, B. William, P. Scharlepp, M. Kennedy, B. Connell, B. Johannsen.

The individual 1950 I.I.A.C. champions from Dubuque were Bret Johannsen in the mile and Mal Kennedy in the half-mile. Bob Williams, Bob Connell, Paul Scharlepp and Ed Bauman running in the 880 yard relay also were crowned champs.

Other commendable performances were Paul Scharlepp's seconds in both the 100 and 220 yard dashes and Bob Connell's second place finish in the 440 yard dash.

Paul Scharlepp was elected by his teammates as honorary Captain at the completion of the year's work.

Intramural Basketball

Intramural athletes of Dubuque University enjoyed one of the more active and successful years. Under the direction of C. T. Peterson and assistance of Mal Kennedy, the various activities were kept moving throughout the season.

The main segment of this varied curriculum was, of course, basketball. The 1950-51 season took the form of two leagues, the American and the National, each of which contained five teams. Wisconsin, captained by Ted Dillow, proved its might in the American half by finishing ahead of the field with a 7-1 record. In the National, Northwestern, led by Don McDonald, romped through the eight game schedule without defeat. Members of these two teams were as follows: Wisconsin: Dillow, Don Swain, Von McLane, Gene Meyen, Jim Coats, and Taco Fals-Borda. Northwestern: McDonald, Bob Berger, Art Gesie, Mal Kennedy, Bill Johnson, Dick Marlowe, John Schields, Dave Allen, and Bill Olson.

In the league playoff between these two teams, Wisconsin defeated the Wildcats by a 35-28 margin.

Don McDonald led both leagues in scoring. Close behind were Don Swain, Ted Dillow and Von McLane.

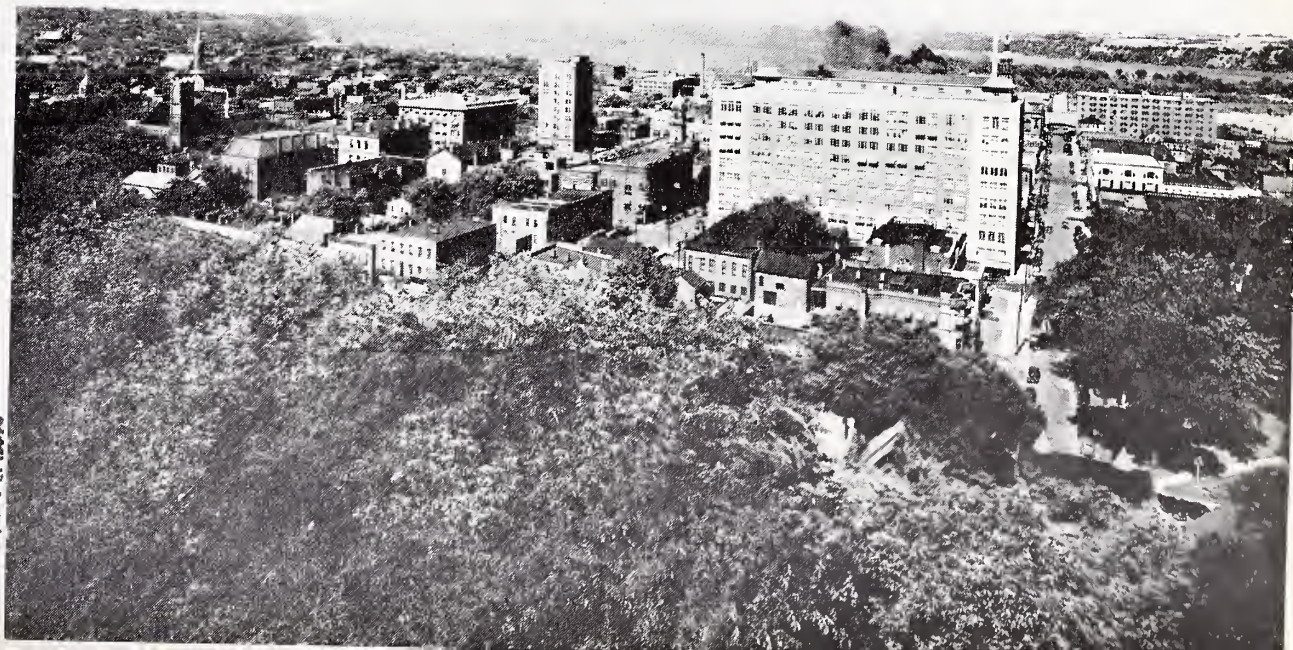

Other teams and their captains were: American (as they finished), Iowa, Jim Baber; Purdue, George Coppage; Ohio State, Gene Reis; Minnesota, Rog Hocking. National (as they finished), Michigan, Bob Filippi; Indiana, Bruce Ferguson; Illinois, Bob Lay; Michigan State, Aldon Seibert.

The winter made it impossible to stage several of the planned activities. Among these were the outdoor tennis and golf tournaments. At the time of this writing, "game 21" and the free throw contest were still in the running.

They have gained knowledge here—in every phase of living. They have gained friendships that will last through the years.

Seniors have memories too . . . memories of coffee sessions at the Goats—senior Homecoming Queen—last-minute cramming—dorm sessions that last till the wee small hours of the morn—the last year of sorority and frat activities—class lectures—senior exams—and the thrill of graduation.

Yes, it's been four years of study, fun, and friendship—four years never to be forgotten.

Have you ever tried to wrap a package and then when you were half finished with your task, given up because it was just too big? Well, that's the way it is with the class of '52. They have something that you can't actually tie up and label. It's an intangible something that can't be described.

Perhaps it's a result of that bell-ringing production, "Club 52," when they were freshmen. Or maybe it's a result of the "oscar" in the one-act play contests. Could be a product of those inter-class sports achievements. Yes—it could be most anything. But at any rate the class has a wonderful spirit—a Centennial Spirit as they call it.

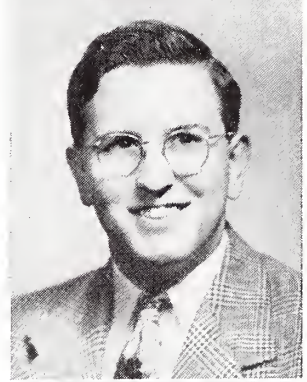

It was that same spirit that sponsored "Holly Days," the perfect junior prom, and even the very book you're reading.

Sophomore Class

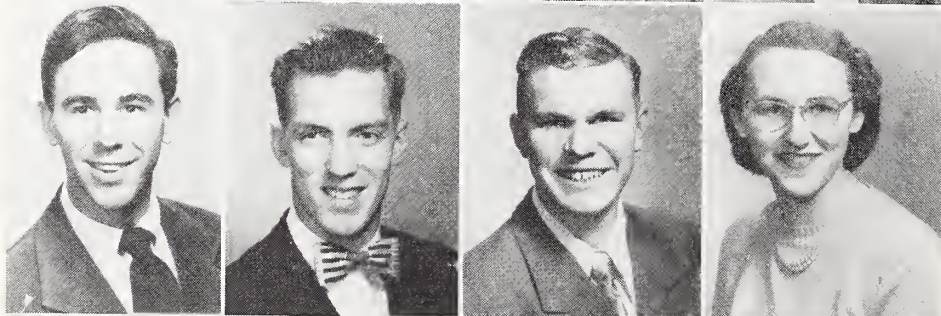

One of the first duties of the sophomore class is to keep tradition by supplying the freshmen with their "green beanies." Somewhere there was a slip-up and the freshmen anxiously awaited the solemn day when they would be capped. It seemed only a few days after they received their caps that the tug of war was held. Being victorious, the freshmen made very little use out of their hats.

The class of '53 started the year by cleverly decorating the entrance of Severance Hall and winning first prize in Homecoming decorations.

Participating in all types of campus activities such as music, dramatics, sports, fraternities, sororities, and the school publications, the class of '53 will carry on the banner of leadership and cooperation to their junior year.

Freshman Class

Confused—bewildered—homesick? Well, perhaps they were during Freshman Days, but since then newcomers have become accustomed to college life and liked it. They like the friendly atmosphere here at Dubuque and the feeling that they are sharing in school activities.

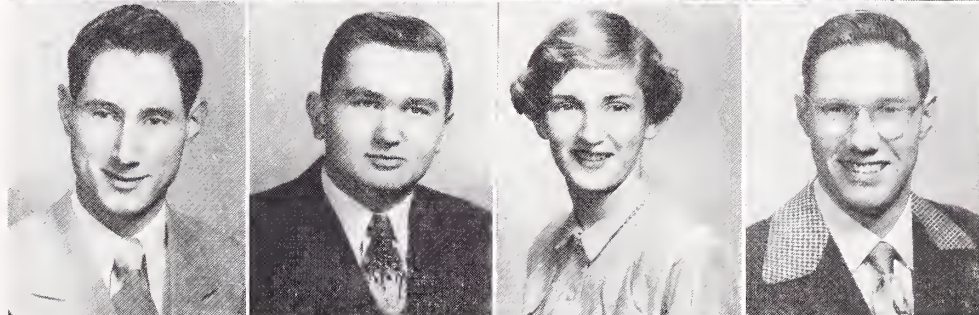

The Follies was their first big challenge as Freshmen, and they passed with flying colors. Not only did they show the upperclassmen that the Frosh had talent, but that they had spirit and enthusiasm too. The Sophomores became aware of this spirit when the Frosh won the tug-of-war and tucked their little green beanies away in mothballs.

Remember, too, the huge Homecoming bonfire, the jam sessions and the football and basketball games in which many Freshmen participated. Yes, this has been a busy year, but it's been fun.

Seminary

The Seminary at Dubuque is designated by the General Assembly of the Presbyterian Church as a point for specially training men entering rural pastorates in the United States and overseas. In compliance with this, the faculty of the Theological Seminary affirms in its statement of objectives, "to prepare its students to meet the requirements for ordination in the Presbyterian Church U.S.A. and to provide courses of instruction essential to preparation for the ministry in any evangelical church."

The seminary seeks to maintain a close adherence to the requirements of the classical theological disciplines, while remaining fully alert to the need of developing practical skills and proficiency in the techniques required of a minister. Its primary purpose is to exalt the gospel of salvation through Jesus Christ, and to instill such fervency of spirit and consecration of talent that the Christian evangel will find adequate expression and efficient application in every field of church service.

The Seminary offers a Bachelor of Divinity and the Master of Theology degree in the field of Rural Church and Life.

54 Follies Indicates Frosh Talents

By Lois Schneider
 The fourth annual performance of the Freshman Follies has brought attention to at least two things.
 First, that the class of '54 contains a better-than-average number of talents, and second, that more of these talents would have been presented if the Follies had remained in the Second Calendar.

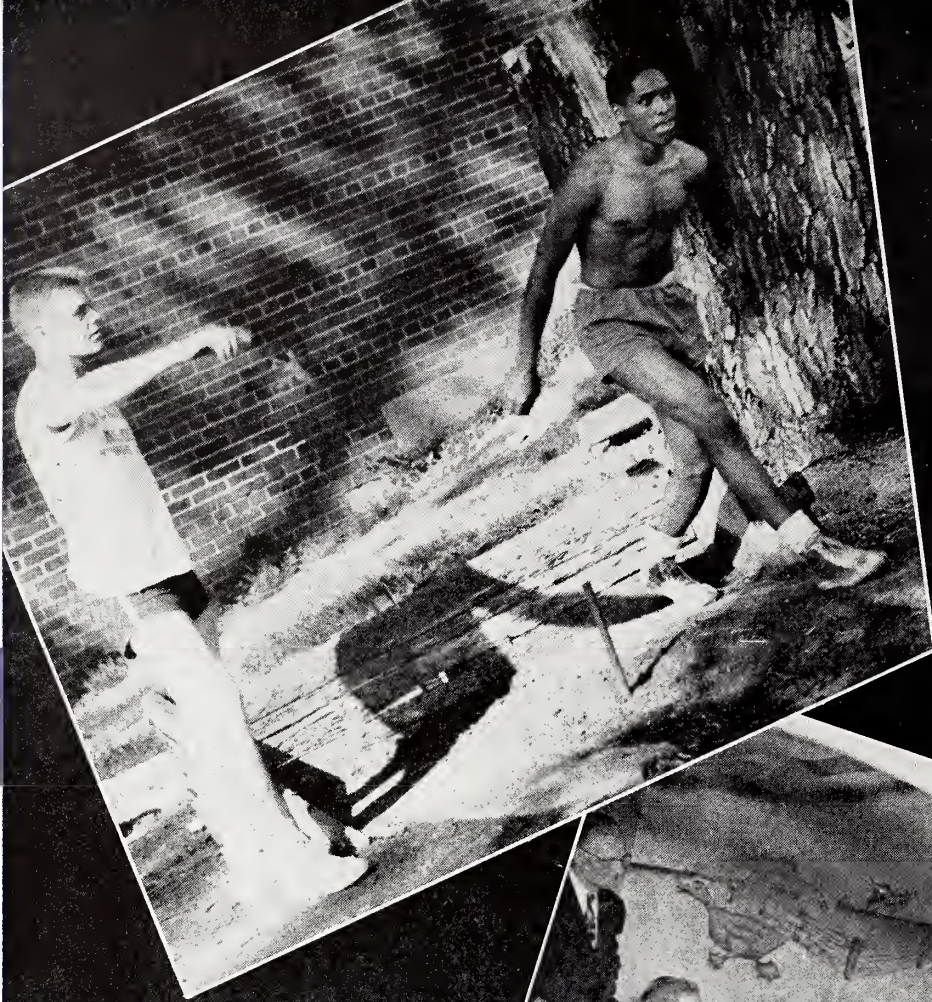

In spite of the coming of the new year, the best of the last year's talent show is still being remembered. The Freshman Follies are now up to the

Locust Street from Seventh to Eighth Avenue

Since its very beginning, in 1894, this store has always sought the best for its clientele and has maintained a policy of satisfactory service to all.

The inward urge, each year, to make it better and of more service to the community has resulted in the up-building of a great retail institution—one which is conceded as being the largest department store in Iowa. Diligence, perseverance and straightforwardness count equally as well in business as in school life.
